PMP Application	The PMP application can be found at https://www.pmi.org/certifications/project-management-pmp PMI usually takes 5-7 business days to review applications. We recommend checking your MyPMI account within the www.pmi.org website for updates as you may find your application has been approved sooner than waiting for an email from PMI. When your application status is "eligible to pay", you may pay for the exam and then schedule it and schedule the exam.
PMBOK and Agile Guides	You can obtain the guides in one of two ways: 1. If you have a paid membership to PMI, you can download the books for free. *Please note the downloaded books cannot be printed or highlighted.* PMI membership cost is $139.00 for the first year and then $129.00 annually if you choose to remain a member: https://www.pmi.org/membership/join *Note - this fee is separate from the student license fee paid when purchasing the class.*

	In addition to the free downloads, when you purchase a PMI membership, the exam cost is less expensive, and further benefits can be seen here: https://www.pmi.org/membership/benefits or 2. You can download the 7th edition of the PMBOK and the Agile Guide from Amazon.
Course Completion Certificate	After you have completed the course and taken the required exams with a score of 30% or higher on each exam, the course completion certificate will be automatically emailed to you. You will also be able to view the certificate within your PMtraining.com account. The certificates are emailed once per day in a batch process at 3:30 am Eastern Standard Time after your course has concluded and you have fulfilled the requirements for the certificate. The list of required practice exams is in the Additional Materials folder within your Class Dropbox folder. Along with the certificate come tips and additional studying exercises to help you prepare for the PMP exam, so it is strongly recommend that you earn your certificate ***prior*** to taking the PMP exam. **The course completion certificate is required before you submit your PMP application to PMI.**
Course Receipt	The course receipt was attached as a PDF to the enrollment notification email that was sent to you on the day you enrolled.
PMtraining Guarantee	To be eligible for the PMtraining Guarantee: 1. You must attend your PMP certification class in full. 2. You must complete all assigned practice exams and quizzes in your student portal and receive your Certificate of Completion (COC) **PRIOR** to your first exam attempt. We do not advise waiting until the day before your exam to earn your course completion certificate as with the course completion certificate, we send out additional exam tips and studying recommendations, so it is beneficial if you earn the certificate as soon as your course is completed. 3. If you do not pass the PMP exam in three attempts, we will refund your course tuition fee, provided all exam attempts occurred within 120 calendar days of your PMtraining class concluding. 4. Please note: Exam fees are the responsibility of the student. Refunds must be requested within 6 months of the conclusion of your class. 5. Please note the certificate date and your first exam date may **not** be the same date. You must earn your certificate PRIOR to your first exam attempt date. https://www.pmtraining.com/pmp/live-classes-our-guarantee
